Ward 5, HCM

Skill

C++, Javascript, Python

HTML5, CSS3, PUG, SASS

ReactJs, NextJs

NodeJs, ExpressJs

Mongoose, MongoDB

Hobby

Coding

Football, Badminton

Video Game

Education Background

• 2020 - 2023: Thang Long High School for the Gifted, Da Lat.

Major: Physics GPA: 9.3/10

 2023 - Present: Ho Chi Minh University of Science, Viet Nam National University

Major: Information Technology - Software Engineering

Project

Game Developer & Designer (C++, OOP)

2023 - 2024

Super Mario Bros 2D Game

• Description: A clone of Super Mario Bros Game.

• Tech Stack: C++, SFML, Desgin Pattern.

• Github: github.com/trngnneeee/MarioGame

End-to-end Website Developer

2023 - 2025

MusicApp

- Description: A MERN web project that allows users to stream and play music online. The platform provides an intuitive interface for browsing songs, creating wishlist, and controlling playback.
 Implemented user authentication, responsive UI/UX design, and integrated a backend API for managing music data. An admin dashboard is also implemented to manage songs, users, and playlists efficiently.
- **Demo:** musicapp.io.vn (Temporary: music-app-bt4z.vercel.app)
- Tech Stack: NextJs, TailwindCSS, NodeJs, ExpressJs, MongoDB.
- Github: github.com/trngnneeee/MusicApp

Frontend Developer

2025 - 2025

AirForce

- Description: A web application that enables users to check the Air Quality Index (AQI) and emission levels based on their geographic coordinates. Using this data, the platform provides AQI forecasts and personalized recommendations following an AI model trained from given NASA data, helping users determine the best days for outdoor activities and when to limit exposure to polluted air.
- Tech Stack: ReactJs, TailwindCSS, NodeJs, ExpressJs, Flask
- Github: github.com/DanielNguyen-05/AirForce

Academic Award

2020 Bronze Medal - 30/4 Traditional Olympic Competition in

Physics

2021 Second Prize in the Provincial Excellent Student Contest in

Physics, Lam Dong Province.

2022 First Prize in the Provincial Excellent Student Contest in

Physics, Lam Dong Province.

2023 University's Study Encouragement Scholarship – Semester 2.

2024 Top 10 Hackathon - NASA International Space App

Challenge

Certification

2023 IELTS 6.5
